## Maintain Your Fitness Routine While You're On The Road!

Members are entitled to use the same services at the club they are visiting for which they have paid at their home club. This means if your membership does not include a particular amenity, such as tennis or racquetball, at your home club (or if your home club does not have courts), you may not use that amenity at the club you are visiting. Advance court reservations are not accepted from visiting members.

Please note: The Fitness-To-Go reciprocity program is designed to benefit the member who travels occasionally on business or vacation. It is not intended for students living away from home, members who move temporarily or long-distance commuters. Abuse of the program is grounds for termination from the club.

\*Certain clubs in destination travel areas charge a minimal guest fee for usage. See the [FitLife Club Directory \(/associate-members-c15.php\)](#) for details
